

### NOTICE OF PUBLIC SCOPING

The **NATIONAL IRRIGATION ADMINISTRATION** proposed the **Ilocos Norte, Ilocos Sur and Abra Irrigation Project Stage II (INISAIP-II)** encompassing the provinces of **Ilocos Norte, Ilocos Sur and Abra**.

Notice is hereby given to interested and concerned parties who wish to participate in the Public Scoping Activity which is scheduled on:

Municipality	Date / Time	Venue
<b>Badoc</b>	<b>05 March 2020 (Thursday) / 9:00 AM (Registration starts at 8:00 AM)</b>	<b>Annex Building, Badoc Municipality</b>
<b>Bangued</b>	<b>06 March 2020 (Friday) / 9:00 AM (Registration starts at 8:00 AM)</b>	<b>Lucky's Catering Function Hall, Bangued Abra</b>

The public scoping is an early stage in the Environmental Impact Assessment Process where the proponent aims to provide an overview of the proposed expansion project, present proposed action, gather issues and concerns, and other relevant information to provide the scope of work and terms of reference for the preparation of Environmental Impact Statement.

All interested parties, organizations and agencies are encourage to provide inputs during the Public Scoping and public review periods and provide comments to [iyang@testconsultantsinc.com](mailto:iyang@testconsultantsinc.com) copy furnished EMB Central Office through email at [eia@emb.gov.ph](mailto:eia@emb.gov.ph).

A copy of the Project Description Report for Scoping is downloadable at our website: [www.eia.emb.gov.ph](http://www.eia.emb.gov.ph) (*kindly access the Notice of Public Scoping link found at the lower right portion of our website*).
