Notice is hereby given to all parties who wish to give their opinion regarding the implementation of the proposed **Lumino Monkayo Tree Plantation Project** to attend **Public Hearing** that is scheduled as follows:

Date	Time	Venue
22 November 2023 (Wednesday)	9:00 AM (Registration starts at 8:30AM)	PJRB Inland Resort, Purok 2D, Libuton Monkayo, Davao de Oro

This Public Hearing is being conducted in connection with the Lumino Energy Plantations, Inc. application for Environmental Compliance Certificate (ECC). The Environmental Impact Statement (EIS) of the aforementioned project is being reviewed by the Environmental Management Bureau (EMB) of the Department of Environment and Natural Resources (DENR).

The following is the project information:

Proponent	Lumino Energy Plantations, Inc.
Project Name	Lumino Monkayo Tree Plantation Project
Project Type	Forestry Projects
Project Location	Barangays Awao, Banlag, Baylo, Casoon, Naboc, Pasian, Rizal, San Jose, Salvacion, Tubo-tubo, and Upper Ulip in Monkayo, Davao de Oro
Project Capacity	12,501.76 hectares
Project Size	1,107,492 cu.m. annual yield
Project Cost	PHP 774,879,000.00
Project Rationale	The efficient utilization of tree plantations has become increasingly important, particularly if these are to be used as substitutes for other widely and traditionally used wood species. In the sector of forests and forestry in the Philippines, it sees improvement in the forest cover, mostly in the forest plantations. An estimated projected range of 220,000 hectares of forest plantations can established 2 million cubic meters of logs that can support important in the conventional wood-based industries and opportunities for employment in the forestry sector. Thus, the Proposed Lumino Monkayo Tree Plantation Project aim to provide support the economical production of biomass materials for energy generation and will also open employment opportunities.
