

NOTICE OF PUBLIC HEARING

On the **ENVIRONMENTAL IMPACT STATEMENT** of the proposed **LIANSHENG STEEL MILL MANUFACTURING PLANT PROJECT** to be located in Purok 1, Barangay Balsik, Jose Abad Santos Ave., Hermosa, Bataan.

Notice is hereby given to all parties who wish to give their opinion regarding the implementation of the proposed **LIANSHENG STEEL MILL MANUFACTURING PLANT PROJECT** to attend the Public Hearing scheduled on:

Date	Time	Venue
17 November 2023 (Friday)	9:00 AM <i>Registration starts at 8:30AM</i>	Covered Court, Barangay Balsik, Hermosa, Bataan

The Public Hearing is being conducted in connection with the review of the EIS of the aforementioned project by the Environmental Management Bureau (EMB) of the Department of Environment and Natural Resources (DENR).

The following is the project information:

Project Name	Liansheng Steel Mill Manufacturing Plant Project	
Project Location	Purok 1, Barangay Balsik, Jose Abad Santos Ave., Hermosa, Bataan	
Project Capacity/Area	800,000 metric tons per year (MTPY)	
Project Type	Iron and Steel Manufacturing	
Project Rationale	The steel industry constitutes a basic industry prerequisite in a country’s pursuit of development and industrialization where its products serve as an essential input to countless uses, such as building and construction, automotive, shipbuilding and repair, electronics, packaging, etc. This is the reason why the Project is envisioned. Further, the proposed Project aims to particularly address the following: Infrastructure growth in Central Luzon and NCR; Support the housing, retail, tourism and industrial construction in the region; Support the following infrastructure developments in Central and Northern Luzon (Clark Green City, Manila - Clark Railway, New Clark International Airport Terminal Building , Central Luzon Link Expressway (CLLEX), North Luzon Expressway East (NLEX), San Rafael - Cabanatuan Expressway, Bulacan Bulk Water Project; Increase job opportunities; and Promote economic growth With the urgency of the project, LMC has started constructing the plant. As soon as the ECC is issued with local permits, plant construction will continue.	
Project Components	Major Components	
	Rolling Mill	Melt Shop
	1. Horizontal (H) and vertical (V) stands 2. High-pressure water jets 3. Pinch-roll 4. Roughing and intermediate mills 5. Cold shear 6. Cooling bed 7. Metallic disc saws 8. Sawing equipment 9. Stacking station 10. Bundling and tying equipment 11. Electric overhead cranes	1. Scrap Yard 2. Medium Frequency Induction Furnace 3. Electric Arc Furnace 4. Scrap Preheating and Fume Extraction System (FES) 5. Ladle Furnace 6. Continuous Casting Machine 7. Make up Water Supply (Deepwell) 8. Cooling Water System
	Support Facilities	
	Rolling Mill	Melt Shop
	1. Electrical Substation 2. Generator Set/Emergency Power System 3. Water Catchment Pond 4. Drainage System 5. Cranes 6. Firefighting System 7. Fuel Tank 50 to 60 liters	1. Power Supply 2. Water Supply 3. QA laboratory
	Pollution Control Devices	
	Rolling Mill	Melt Shop
	1. Sludge treatment with auxiliary system 2. Flue Stack	1. Sludge treatment with auxiliary system 2. Slag treatment system 3. Material recovery facility 4. Hazardous waste storage area
	1. Electric Arc Furnace 2. Dedusting System/Baghouse (Pulse Jet)	
Proponent	Liansheng Manufacturing Corporation	

All interested parties who wish to attend or participate in this Public Hearing should preferably confirm their attendance/participation and may give their opinion(s) in a concise position paper to the **ENVIRONMENTAL IMPACT ASSESSMENT AND MANAGEMENT DIVISION (EIAMD)** of this Office through email at eia@emb.gov.ph, three (3) days before the Public Hearing schedule. Those who will not be able to register or submit written positions may be given the opportunity to share their issues on the day of the hearing itself.

The project’s EIS and Executive Summary for the Public are downloadable on our website: (*kindly access the Notice of Public Hearing/ Consultation link found in our website*) while copies will be available in the following office:

- **EMB Region III**
Amethyst St, San Fernando, Pampanga
- **Municipal Environmental & Natural Resources Office (MENRO)**
of Hermosa, Bataan

For more details, please contact the EIAMD Division at this Office at telephone number 8539-4378 local 116 and look for the project case handler **Engr. George Silvederio**.
