The public scoping is an early stage in the Environmental Impact Assessment Process where the proponent aims to provide an overview of the proposed expansion project, present proposed action, gather issues and concerns, and other relevant information to provide the scope of work and terms of reference for the preparation of Environmental Impact Statement.

All interested parties, organizations and agencies are encourage to provide inputs during the Public Scoping and public review periods and provide comments to [kareljovce.padavao@jacobs.com](mailto:kareljovce.padavao@jacobs.com) or [katherine.gavile@jacobs.com](mailto:katherine.gavile@jacobs.com) copy furnished EMB Central Office through email at [eia@emb.gov.ph](mailto:eia@emb.gov.ph).

A copy of the Project Description Report for Scoping is downloadable at our website: [www.eia.emb.gov.ph](http://www.eia.emb.gov.ph) (*kindly access the Notice of Public Scoping link found at the lower right portion of our website*).

*Protect the environment... Protect life...*
