

NOTICE OF PUBLIC SCOPING

The **Itogon-Suyoc Resources Inc. (ISRI)** represented by its Vice President for Geology and Exploration, Mr. Eric Andal, will have the proposed Sangilo Mines Expansion Project (“Project”) to be located in Barangays Ampucao and Poblacion, Municipality of Itogon, Province of Benguet.

Notice is hereby given to interested and concerned parties who wish to participate in the Public Scoping Activity that is scheduled on:

Date/Time	Videoconference (via zoom)
27 May 2021 (Thursday) / 9:00A.M.	Meeting ID: 942 6514 6013 Passcode: 635582

The public scoping is an early stage in the Environmental Impact Assessment Process where the proponent aims to provide an overview of the proposed project, present proposed action, gather issues and concerns, and other relevant information to provide the scope of work and terms of reference for the preparation of Environmental Impact Statement.

All interested parties, organizations and agencies are encourage to provide inputs during the Public Scoping and public review periods and provide comments to mcl@itogonsuyoc.com and ravasquez@licheltechnologies.com copy furnished EMB Central Office through email at eia@emb.gov.ph

A copy of the Project Description Report for Scoping is downloadable at our website: www.eia.emb.gov.ph (kindly access the Notice of Public Scoping link found at the lower right portion of our website).
